

Sonova Institute

Inspiring new minds

Sonova Institute is a virtual institute to inspire minds and promote the concept of social innovation through its two flagship programs: Asia Social Innovation Award (ASIA) and House of Social Innovators (HoSI).

Asia Social Innovation Award (ASIA)

2,000+

Social innovation ideas submitted

20

Asian Cities participated

40+

Partner organizations globally

- Launched in 2008, ASIA is an annual Asia-wide award to generate innovative ideas to tackle urban social and environmental issues.
- ASIA aims to promote social entrepreneurship in Asia and provides a platform for idea-stage entrepreneurs to kick start their business through networking and expertise exchanges.

Co-organizers (2015):

Sponsors (2015):

House of Social Innovators (HoSI)

15

Early-stage social enterprises

60

Aspiring social entrepreneurs

100+

Mentors participated

- HoSI is a network of social enterprise award winners and aspiring social entrepreneurs based in Hong Kong.
- The program provides a year-round mentorship and acceleration program to build the capacity of early stage social enterprises.
